6.Hobbies and interests	Taking care of pets, watching movies, travelling, meeting new people.
7.Job start date	01.09.2023

Autobiography

My name is Thirupathi Juttu , my date of birth is 14- th of March 1987. I am from India I live in a a small village in Telangana state named Takkallapally. I got married in 2022 June, I have one elder brother and 3 elder sisters and my mother in my family, they are settled with their families.

My height is 173 cm, my weight is 65 kg.

As I was born in the village I and know what a county lifestyle is. My family was connected with agriculture as far as I remember myself. I am the youngest in the family and always helped my parents and elder siblings. My family had some cows for our big family because we need dairy products. In my childhood was taught to milk, to feed, to clean the rooms in the barn.

I got a secondary education in my native village and after that I entered the collage and then to the university. I studied Computer science. I worked by the profession for some years. But my life changed when I decided to take part in the volunteer program in livestock farming in Israel. I realized that I had chosen a right way.

There I was working as an Assistant farm manager in dairy and chicken farms. I have two and half years of experience with the livestock farming. My duties were

milking, feeding, cleaning the work areas, medication, calves care,
insemination, fertility care, driving a tractor with a trailer for transportation,
welding, computer care, other odd jobs in the farm,
handling various types of machineries and equipment, machinery repairing.

At the chicken farm I was working in layer chicken farm. I was working with modern machineries like egg packing robot. My duties were taking care of chicks, egg packing, food, vaccination of chickens.

In March 2023 I went to Norway for a season. I have been working at the dairy farm as a seasonal worker. My duties are

daily care of seasonal growth of livestock,
giving food to young cows and milking cows,
vitamins, check and care the farm ,
milking, feeding of calves, silage preparation for cows,
driving a tractor and a food machine, cleaning work areas.

I have a driving lisenca for cars and tractors and can drive a car and a tractor. I can speak English well.

My duties are animal petting, watching movies , travelling, meeting new people.

Now I am working in Norway. I would like to continue the work in the sphere of dairy farming. I dream to go to Finland and find a job at the dairy farming. I want to learn and compare the way of management at the dairy farms in different countries and develop myself.

Regards, Thirupathi
