Equipment experience	Milking machines(good)
6. Hobbies and interests	
Riding a motorcycle, travelling, caring of animals, adventures	
7. Job start date	
As soon as possible	

Autobiography

My name is Edgar Competente. I'm 23 years old. I was born on February 19, 1999 in the town of Guinaban, Ocampo province of Camarines Sur, Philippines. My parents are Mr. Edgar Competente and Mrs. Marilyn Competente. I am the second eldest of my seven siblings. I'm currently residing at Guinaban, Ocampo, Camarines Sur, Philippines.

My height is 167 cm, my weight is 71 kg

I have grown up in a family which lives in the countryside. We run a small farm where we breed cattle. It comes from the government program under the national dairy authority which promoting dairy industry that deals in milk production in the Philippines. Since I was a kid I spent a lot of time around the cattle and I've learned how to care of them. I helped with feeding, watering and cleaning.

As the my family was close to agriculture lifestyle I chose this way for my future profession. After finishing school study I decided to enter the agricultural university which name is Central Bicol State University of Agriculture. I took a course of Bachelor of Science in Agriculture Major in Animal Science from 2015 until 2020. During my study university offered me an internship program under Agro Studies which gives opportunities to the students to learn and get experience in the dairy farming using high technologies in other country, where I was one of the students chosen by the school to undergo the program. I had an internship in Israel.

During the internship program at dairy farm in Israel where I learned all cycles of dairy farm duties such as;
milking, operating milking machines,
nursing examine animals to detect symptoms of illness or injury,
feeding livestock,
cleaning and disinfecting pens, cages, yards, and hutches,
administration of medicine,
assisting in calving if necessary,
doing vitamins nd antibiotic injections
assisting calf after calving,
prepareing colostrum for first milk intake

I have driver license and can drive car. I can speak English language.

As for my hobby I like riding a motorcycle, travelling, caring of animals, adventures.

I want to grab the opportunity to work and get new experience in Scandinavian countries as a skilled dairy worker. I know these countries are good in dairy farming and my dream to see how the dairy farms are run there.

Regards,

Edgar Jr
